

Explosion

Wadlington, Burton Direct

'Green Valley' Set For Glendale Show

"Green Valley" will be presented next Thursday and Friday in the Glendale auditorium as Glendale's annual spring play.

Mr. Joe Wadlington is faculty

director and he is assisted by Joy Burton, student director.

Tickets cost 75 cents and may be purchased from any member of the cast.

With casting completed, the major roles went to Milo Delgado, who plays Eldon Berry; Trina Stine, Prom Stokes; Jack Caselles, Tinker Smith; and Joel Miller, Tobias J. Everhall.

Large Cast!

Karleta Morgan, as Eva Friese; Pat Pearson, Lonesome; John Robinson and Peter Rusch, who will portray Grandpaw Berry one night; and Dorothy Bogart, as Martha Mears are also members of the cast.

Other actors who made the grade were Jonnalee Hartman, Granny Beary; George Pierner, Jeb Barry; Charles Buck, Ransome; Elza Bergeson, Prudence; and Julie Tucker, Sarah.

Cast Completed

Completing the cast are Dave Beckett, Hip Cooley; Sue Bicknell, Mamie; and Skip Newell, Shade Stokes.

Mr. David Gibson and his stage crew will make the scenery and handle backstage chores.

Stylus on Presses Brings Staff Relief

"Stylus staff breathed a sigh of relief as the last three pages of The Stylus was submitted," says Mr. Bill Graham, Stylus adviser.

Mr. Homer Livermore, business adviser, informs students that Stylus sales, reaching a total of 1,632 were "exceptional good." The remaining 268 yearbooks will be sold for cash at delivery.

'Magic Moments' Selected for Theme As Annual Senior Prom Approaches

"Magic Moments" has been chosen theme of the Senior Prom, according to Tom Sparrow, class president. First choice of the class, "Jazz Goes Dancing," was changed because many seniors did not like it, Tom adds.

This year, for the first time, the dance will be held off campus at McCambridge Hall in Burbank.

Dave Pell and his Octet will play for the event, reports Bob Hines, band committee chairman. Members of Bob's group were Steve King and Dwight Waite.

Music will be "smooth and danceable" according to Dwight who is also head of planning committees. Pell, who formerly played tenor sax for Les Brown, will present a jam session during the evening.

Queen To Be Crowned

Highlight of the event will be crowning of the queen. The already-elected princesses are Louise DiTullio, Diane Stubblefield, Alice Chew, Nancy Utech, Vicki Fliedner, Kay Nesbit, and Eleanor Legg. The girls were elected early so their pictures could appear in the Stylus, the school yearbook.

Hudson Heads Decorations

Decoration chairman is Gary Hudson and her committee consists of Bob Hines, Steve King, John Robinson, Dwight Waite, and Dick Webb.

In charge of entertainment are John Hagen and his committee, composed of Betty Jo Sanders and

Jackson Speaks

Guests Thanked For Career Day

"For their wonderful cooperation and interest," is why Mrs. Dorothy Jackson, faculty sponsor of yesterday's Career Day, thanked participating speakers.

Many Fields Represented

Represented fields ranged from prospective chemists who listened to Dr. David Howton, of the atomic energy research project at UCLA, to a Forestry Service emceed by Mr. Sam Alfano.

Froelick Speaks

Included top were topics ranging from understanding a motor to comprehending the human mind. Auto mechanic prospects attended a session by Mr. Al Froelick, from Ford Motors. Mrs. Jan Gottfrdson, of the Glendale district Guid-

SOWING THE SEEDS for "Green Valley" are (front row, left to right) Milo Delgado, Jonnalee Hartman, and Jack Caselles. Back row (left to right) are Elza Bergeson, Pat Pearson, and Joel Miller.

Other committee chairmen are Rosemary Montana, publicity, and Claire Wiesley, throne.

Class of '58 Invited To Dance Tonight

All seniors from three high schools — Glendale, Hoover and Verdugo Hills—are invited to attend an annual dance sponsored by the Elks Club.

The dance will be held tonight from 8 to 12 p.m. at the Glendale Elks Club on Colorado.

Admission to this dance is free, and it is a stag or date affair. Girls are reminded that the dance is for seniors only and not to ask a boy in college or out of school.

Schools are getting together two acts apiece, or a total of six acts, for a short program to be presented at the dance.

"Seniors are urged to come to this dance and have a good time," says Tom Sparrow, senior class president.

Two Dyno Civitans To Attend Meeting

Junior Civitan Bill Jencks and Junior Civinette Lynne Davis have been selected to attend the Civitan International district convention.

At this convention, to be held in San Diego this year from May 16 to 18, Bill and Lynne will be official delegates from Glendale High School.

Three seniors, Nancy Se Kava, Pat Gould, and Nancy Sissen, who placed first, second, and third, respectively in the local Civitan essay contest, were presented with their awards of \$25, \$15, and \$5 at the meeting of the sponsoring club last Monday.

Nancy's winning essay has been submitted to the district contest.

psychologists.

Blossoming cosmetologists greeted Ben Morisch, of Continental Beauty Academy, and his models.

Glenettes Assist

Mrs. Jackson also expressed thanks to Mrs. Margaret Campbell's Glenettes for "their fine work in welcoming the speakers."

A host teacher was present in each room to welcome guests. After discussions and the succeeding question and answer periods, guest speakers were invited to a luncheon.

Cabinet Nominates New Yell Leaders

ASB elections will take place soon and GHS students will elect their school officers, as well as song and yell leaders. The nominating assembly will be held May 15.

Yell leaders were chosen April 21 from a group of 27 boys and girls. Cabinet picked six girls and five boys to run before the student body as candidates.

Carolyn Ahlers, Connie Cooper, Gloria Henry, Sue Mariette, Gail Seabury, and Kathy Locke presented their cheers and were chosen as female finalists.

Boys were Dave and Paul Beckett, Jesse McGinty, and Torre Yappe. Student body will elect three boys and two girls to make a total of five yell leaders next year.

Yell leading practices were held during noon time, while song leading practice was usually held at Verdugo Park after school.

Song and yell leaders from Occidental College and various other colleges combined with the cabinet of GHS to judge the song leaders, who presented their routines of "Glendale Boys."

Ten songleaders were chosen as candidates Wednesday from about 50 girls.

Dynos As Foreign Exchange Student

Chris D'Arc, has been chosen by the American Field Service committee to visit Japan for the summer as an exchange student.

Chris, who learned of her selection Tuesday, will sail from Seattle on May 31 aboard the Hikawa Maru. The ship will stop in Hawaii and the Philippines before arriving at Japan.

The elated junior is now awaiting a letter from her "adopted" family of which she knows very little. During her summer visit she will adopt all customs of the family and generally become a member of it.

"The first thing I'm going to do now," elated Chris, "is go out and see "Sayonara."

She is not worried a great deal about the problems of language, clothes, or other differences. She intends to learn something of the language from Yoshi Kaneko, Japanese exchange student at Hoover.

"My biggest problem will be getting used to the money system which is completely different from ours," she revealed.

Chris will have to complete the semester's work in four weeks in order to leave.

"I know this will be one of the most wonderful experiences of my life and I certainly am grateful to the AFS," she said, growing more serious. "I am proud to represent America and Glendale High and will do my best to present a true picture of American life."

'BEST BAND IN THE LAND'

Music Groups Top State Meet

"There is no better band or orchestra in the state than ours," declared Mr. Bud Balzer, music director, after his students received the top award of the state music festival at Compton.

Both the band and the Symphonettes, competing against 26 other schools, were awarded "superior" ratings in every field of competition.

The judges were four of the most qualified men in Southern California, according to Mr. Bal-

UCLA First Prize Awarded to Bogart

Dorothy Bogart's individual interpretation of *Taming of the Shrew* won her first place at the annual Shakespeare Festival at UCLA Saturday.

GHS senior, Dorothy is in this spring's play **GREEN VALLEY** and had the lead in last fall's play. The Arion Award, for being outstanding in music, is another one of her achievements. She won this at the recent music festival at Glendale College.

Representing Glendale high in other parts of GHS's presentation were Elza Bergeron and Milo Delgado, who presented *Taming of the Shrew*, and Joel Miller and Trina Stine, who did *Richard III*.

They were Clarence Sawhill and Justin Burt, UCLA; and Ralph Rush and John Green, USC.

In its winning efforts, the band played "Scipio," by Handel; "Tocatta for Bond," Erickson; and "Sea Portrait," La Gassey.

Symphonette selections included "Tournament of Temperments," Dittersdorf; "Fantasia on the Alleluia Hymn," Jacob; and "Symphony No. 2," Hanson.

Both music groups earned the

subject index and senior directory, is a new feature introduced to the book by this year's staff.

Two colors will be featured on the book and a "lot of fine touches and extra attractions," he adds.

This is the first time extensive use of a second color was made. The color is a "deep, dark . . . secret."

Besides their present job of proof-reading the book, the staff is compiling a manual for future year-book staffs.

"Although many manuals have been written for other phases of journalism, the yearbook has been slightly overlooked," confides Mr. Graham.

Robinson To Speak In District Competition

John Robinson, Orators Club president, will compete for the district title of the Lion's Club speech contest next Thursday at Santa Anita.

Robinson, whose speech is "Community Service — A Way of Life," will receive a \$1500 scholarship if he wins the state finals. To date, he has taken first place honors in local and area divisions.

right to compete at Compton by taking the regional title recently at Pasadena.

At that time the band was awarded three "superior" ratings while the orchestra earned two and an "excellent plus."

Soloists of the two groups include Louise Tullio, flute; Joel Kotin, horn; Jim Phipers, clarinet; Diasa Hatteberg, violin; Honey Gesco, oboe; and Steve King and Dick Eastburn, trumpets.

Down to Earth With Sod

College Wise Choice

By Donna Sodoma

College acceptance and entrance are the main anticipations this time of the year.

THE ANXIETY a couple of weeks ago concerning Occidental entrance had a few seniors really "hopping." The letters of acceptance were, the rumor got around, mailed out that Wednesday and by Friday no one had received his letter. Monday brought a clamor of excitement as the letters arrived and advance plans were in the making.

IT'S A FUNNY THING about college. You can't tell a junior high student to work hard, take the hardest subjects and strive for top grades—he must find this out for himself. Scholarship found this out in time. For the rest, in most cases, the drive winners and college acceptants for education came late or not at all.

This is unfortunate, as now they have only a few choices left—junior college, work, or a variety of different preparatory schools. For those of us who have to make this choice, a wise one would undoubtedly make up for our mistake of "cruising through."

This expression refers to the easy way of getting through school. It consists of taking three periods of gym, two study halls, and a free sixth.

This may not be a bad idea for those of us who do not have the mental ability to do anything else, but for those who have it and don't apply it—this is sad.

Summer Weather Bypasses Spring

Without any warning, summer came to Glendale and the

Glendale Confidential

by Ann Bungay

Sunburns, "flakey" noses, and golden tans seem to fit the description of a good many Dynamiters as sunshine and hot weather that once again revive that old "craving for the beach!"

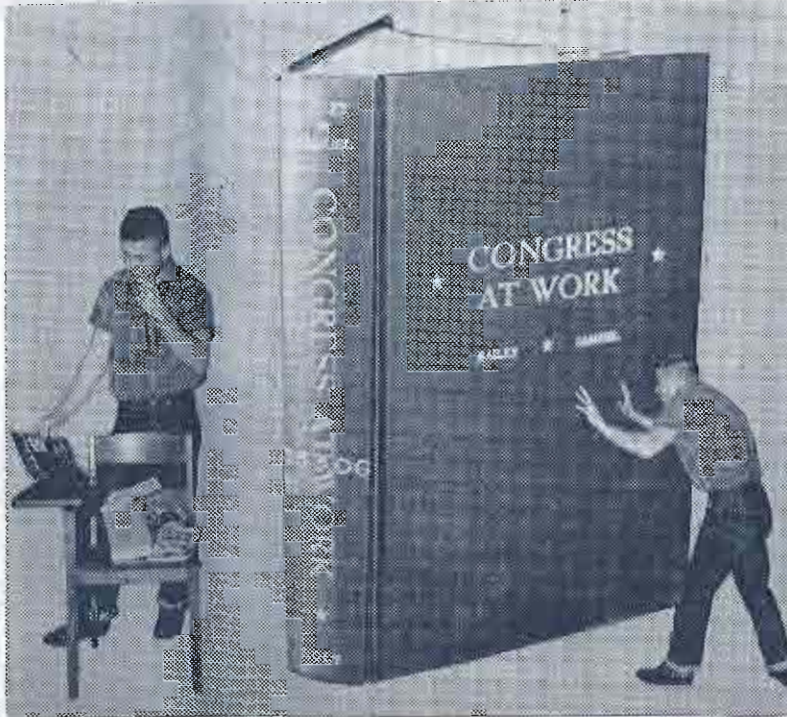

Pool Party

Barbecue and swimming party at Bill Jencks' house last week end was the scene of much fun for Bill-Diane McBain, Don Beck-Bee Barrow, Jim Bell-Linda Gratiot, John Hayes-Pam Rafael, and Robin Paulsen-Sandy Murphy.

Clubs Gather

Civilians and Civinettes gathered at Ronalee Williams' house for a pot-luck dinner. Enjoying the fun were Penny Anderson, Rickie Blanchard, Bill Brostoff, Denny Carhart, Steve Chenoweth, Gary Crippin, and Larry Edwards.

Others were Mary Fitzpatrick, Vickie Fliedner, Gary Hudson, Bob Hensler, Ernie Lund, Mike McNeill, Colleen Morrison, Kathy Murphy, Barbara Pence, Nelson Rising, Betty Jo Sanders, Marty

TYPICAL AMERICAN (—GHS?—) boy is Johnny Jones. We see him at left surveying books to read for his last quarter resolution to improve himself. We see the same Johnny Jones at right, overpowered by the dadly combination of too much to learn in too little time.

Exchange Desk

Coaches As Slaves? -- Sure!

Slaves were sold recently at Pleasant High School for the purpose of raising money for an exchange student next year. Not only were the "slaves for the day" students themselves, but also there was a real bargain, a "slightly used coach."

Moans and groans heard issu-

ing from the hallowed halls of Huntington Park High School may be accounted for by the pie-eating contest held on their sports' night, April 11. In addition, students participated in various games, such as table tennis, badminton, and volleyball.

Problem Solved By Career Day

"I certainly didn't know they had anything like that in high school, but I'm glad they do."

Students at Camden High School are planning a blood drive as a Junior Red Cross project. Junior Red Cross members plan to solicit blood donors from house to house.

San Gabriel High School stu-

'Twilight Time' Running First

The Platters' sensational "Twilight Time" is this week's top tune on the "Fabulous Four."

Pvt. Elvis Presley is running second with "Wear My Ring Around Your Neck." "Book of Love," published by the Monotones, is third; and David Seville's "Witch Doctor" is fourth.

Chuck Berry's new swinger, "Johnny B. Goode" is a sure bet for the top spot in a couple of weeks.

Another contender for stardom is "Nee Nee Na Na Na Nu Nu," as waxed by Dickey Doo and the Don'ts.

Nat "King" Cole is climbing the charts again with another goody tabbed "Do I Like It?" Most people do, too.

This week's "Gasser of the Week" is "Crazy Love" by Paul Anka. It looks like three good ones in a row for the pride of Canada. The other side looks good too.

Now that Elvis is in the Army, some people feel he will die out; I doubt it, as he left for the Army quite prepared.

He recorded many records that RCA Victor will be releasing. "Wear My Ring" is one of them.

Lately it seems that many novelties and instrumental songs have been holding their own. This shows up in such goodies as "Witch Doctor," "Tequila," "Little Blue Man," and others.

I wish I had a

clothes in a far corner.

To have summer so early is unusual for me, because in Switzerland, April and the beginning of May are the months that bring the most rain and even cold weather.

Then the rain stops, and we have the most wonderful, hot summer climate. But where is your spring? How can you ever live without it?

Our spring at home is a long season which starts in April and lasts until the end of June. And with the blooming of fruit trees and flowers, we get a strange disease that comes back every year: the spring fever, a strong, infectious illness which brings much happiness and unhappiness, especially to teenagers.

Kina Lindh Sends Message to Dynos

Recently Mrs. Dorothy Jackson, girls' vice-principal, received a letter from Christina "Kina" Lindh, who was GHS exchange student from Sweden two years ago.

Pausing to write in the middle of finals, Kina reports she is a member of the first Spanish class to be held in the history of her school. The class has five students and is making rapid progress.

nalee Williams, and more.

Beachcombers

Among the many thousands at the beaches these last weekends were Jim Blum-Melinda Zemke, Jerry Schmidt-Janice Goodemoot, Tim Rote-Linda Hendershot, and Tom Sparrow.

Spring Festival Breaks Rivalry

Each year Glendale and Hoover High pass the peace-pipe and bury the hatchet as the annual spring Glendale College Choral Festival sails into view.

On this eventful day the two rivals combine with GC and prove that, when in harmony, they can turn out some really fine pieces. This is the only event including both Glendale and Hoover which hasn't been on a competitive basis.

Dorothy Bogart, soprano, and Louise DiTullio, flutist, earned praise by their many outstanding performances which awarded each the Arion Award at the ninth anniversary of the festival.

Two other Dynamiters were also featured. Jaynee Paul and Kay Stromberg made fine solo presentations.

Miss Shirley Nute, Mr. Robert Altheuser, and Mr. Ken Wilson

could he be talking about Career Day? Well, it so happens this sophomore has experienced his first Career Day at Glendale High, and he seems quite impressed.

"I went into engineering, and the man that spoke to us was really terrific; I learned all the pros and cons connected with the job.

"My mind is clear in the things I always wondered about; and, you know, I really never considered going to college before, but now I'm positive college is for me. That speaker made me realize the real need for good education to start a job I'd enjoy as well as one that pays well."

"I'm going to plan my program for next year right away, and no study hall for me next year. I'm going to Career Day!"

Senior Class Nears Departure Date Leaving Record of Fine Achievements

by Jackie Liebmann

The Class of '58 has left its mark at Glendale High through many outstanding achievements during their three year stay.

Three Time Winner

Consistently, the seniors have come through with the outstanding orator in the annual Oratorical. It was Linda Lockwood who first set the pace in the sophomore year. Bill Dawson and John Robinson followed in her footsteps—also leading the '58ers to victory!

Unforgettable Dances

"Honolulu Hop" the Cotton 'n' Cord dance launched the seniors into a bevy of entertaining and memorable events, headed by Sophomore Class President Steve Little. The following year, "White Christmas" displayed unusual decorations, with glittering stars dangling from the ceiling and a huge white Christmas tree with twinkling lights.

Spectacular Senior Prom

An appropriate close to high school days is the traditional Senior Prom. This year it promises to be more elegant, sophisticated, and beautiful prom any other in the history of Glendale Senior Prom.

A catering service will serve refreshments, while a jam session promises to enliven the evening, according to Tom Sparrow, Senior Class president.

Committees Work For Senior Prom

"The 1958 Senior Prom will be the best prom Glendale has ever had!" answered Dwight Waite when asked what he thought of the long-looked-forward-to dance.

Waite Heads Committees

Waite is head of all planning committees for the prom and the senior party. He is also assisting John Robinson with the senior banquet.

Assembly Curtains Given by Seniors

"New auditorium curtains will be the Class of 1958's gift to the school," said Rick Mathews, who is in charge of the senior gift. The curtains will be ready within six weeks or in time for baccalaureate services.

"The Senior Class is going to add real improvement to the looks of the auditorium," Rick stated. Included will be a new front curtain, grand drape, double-faced curtain and new risers, plus legs and exit curtains. The curtains will probably be desert gold in color.

"We want to leave this school with a mark it will never forget," said Mr. Jack Parker, Senior Class adviser.

Various companies have bid on making the auditorium curtains, but the offer of R. L. Gros & Sons has been accepted by the seniors. "The amount of money to be spent will remain a secret," said Mr. Parker.

Previous suggestions for the Senior Class gift included remodeling the Senior Glen, a new senior patio, a new telephone system, new glass doors for the auditorium, a drainage system for the football field, or another trophy cabinet in the hall.

The Board of Education has hired a color consultant, and the auditorium is to be painted next summer.

THE BIG QUESTION is, "Which one will be queen of the Senior Prom?" The choice has already been made by the Glendale student body, but the results will not be known until the magic date, May 17.

Seven Coeds Chosen To Outstanding Court

by Marty Sours

Seven outstanding senior girls have been selected to form the court for the Senior Prom, "Magic Moments."

Alice Chew, a Clark graduate, plans to attend Occidental College and go into education as a career. Alice is senior representative on Girls' League.

Louise DiTullio also plans to attend Occidental next fall. She has been flute soloist with the Burbank and Long Beach Symphony Orchestras. Louise plans to make music her career.

NROTC Scholarship Given Glendaleite

With the ending of school come many honors to outstanding seniors. Scholarships to Stanford and the award from NROTC have been announced.

Harold Coors, a life member of

Vicki Fliedner will head for Brigham Young University after graduation and will major in education. Vicki was junior representative in Girls' League, and she has been song leader.

Eleanor Legg hopes to be a med-

Senior Decisions Made on Colleges For Fall Entrance

With Glendale High diplomas just a few steps away from being placed into senior hands, classmates of '58 have begun to make decisions as to the college of their choice.

Oxy Campus

Attending near-by Occidental will be Laurie Beans, Tom Bonnetto, Laurie Brann, Don Burnap, Diana Dunn, Susie Green, Janice Jansen, Jim Phypers, John Read, Melinda Royce, Dick Webb, and Ken Young.

University of California

The campus at Santa Barbara has prospective freshmen Ricki Blanchard, Tom Lynard, and Pam Van Wic.

Leon LeClerq, Kathy Murphy, Gail Newton, and Barbara Pence plan on entering UCLA in the fall.

Attending Berkeley next year will be Ann Bungay, Gretchen Clemmons, Bill Hartman, Kay Langton, Dorian Naimark, Donna Reid, Linda Sandos, Paul Schneringer, Sue Smith, and Linda Watkins.

Private Schools

University of Southern California will have Anne Conner, Lee Cook, and Mike Crocket entering as freshmen.

Linda Arnds, Jonnalee Hartman, Rosemary Montana, and Linda Williams will be heading east for Stephens College come next September.

Entering Stanford on a renewable scholarship will be Emily Shochat.

Tears, Tribulation Accompany Prom

mittee chairman, is also general co-ordinator for the prom. Helping Gary on the decorations committee is Bob Hines, who is in charge of printing tickets for both the prom and party. Steve King, John Robinson, and Dick Webb are also helping with decorations.

Jazz Concert Featured

The band committee consists of Bob Hines, Steve King, and Dwight Waite. This group has obtained Dave Pell and his Octet for the memorable event. These people are also working with the entertainment committee.

Publicity for the dance has been prepared by Rosemary Montana committee chairman, and Brenda Fortner and Dwight Waite. Rosemary has been active in class activities since her sophomore year.

Throne Committee

The throne committee, with Claire Wiesley as head, has been working hard to produce a good-looking theme.

Bill Dawson, financial adviser of the Senior Class, has been working behind the scenes to make sure the money is spent carefully.

High point of the evening will be the crowning of the queen. The seven princesses were elected early so that their pictures could appear in the Stylus.

yellow.

'58 Class Hailed By Jack Parker

"We've never followed tradition and we've never been like the classes before us," says Mr. Jack Parker, Senior Class adviser.

This cheerful biology teacher-adviser believes that "the kids deserve the credit."

According to Mr. Parker, he knew nothing about being a class adviser when he was asked to take the Sohomore Class in 1955. At that time he was teaching related sciences.

Since then he has worked with the Class of '58 with all enthusiasm. The career of an adviser is only part of Mr. Parker's busy life. He is also a counselor and a biology teacher with a master's degree in oceanography.

In Mr. Parker's free time he works at home helping his wife in caring for their 17-month-old son.

Mr. Parker expresses these thoughts to the class: "I think this is a great class and there'll never be another like it. I've received more gratification than I ever thought was possible."

of the NROTC and Stanford scholarships. He is also active at Glendale College for calculus and plans to major in engineering.

Also receiving the NROTC scholarship is John Wertin, a leading member of the Science Club. He, like Harold, attends the college for calculus every morning. John plans to have a career in engineering.

Emily Shochat is the recipient of the Stanford scholarship. Last summer she visited France in the AFS program. Emily is a member of the French Club and is president of the Honor Society.

Another Stanford scholarship goes to Donna Reed. She has been vice president and secretary of Girls' League. Donna also is a member of the college class in calculus.

Prom's Schedule Brings Problems

Almost everything in the world runs on a schedule and the Senior Prom is no different.

At 7 a.m. beauty preparations will begin.

Twelve o'clock will see many seniors outdoors, washing their cars.

At 5 p.m. the car-washers will be "cleaned up" and on his way to the cleaners for his suit.

In many homes at 6 p.m. hurried dinners will be eaten.

At 6:30 p.m. he's off to pick up the corsage.

Finally at 7:45 he arrives at his date's home, who, incidentally, has just finished getting ready.

After dancing has progressed for an hour, the prom queen will be crowned.

Eleven p.m. will see the couple enjoying the Dave Pell jazz concert.

In the wee hours of the morning (this can't be accurately predicted) the couple will return home thinking sleepily about what a wonderful evening it was.

ical technician after her graduation from UCLA. Eleanor has been active in Girls' League social chairman and junior representative.

Kaye Nesbit is shooting for USC, where she will prepare to be a dental hygienist.

Diane Stubblefield will major in education at UCLA next fall. Diane is AFS Committee president and served last year as Junior Class treasurer.

Nancy Utech is also UCLA bound. She will take up secondary education. A leader in Girls' League, Nancy was senior representative and now serves as president.

Get on Your Feet; Prom Approaches

by Chris Miss

Get busy boys; it's later than you think!

If you really want to get the best choice of dates, you must plan ahead, for the best girls go fast. It would be a catastrophe to miss the Senior Prom, the best of all times.

Boys should realize the preparations a girl has to go through before attending a prom. If you expect to go with the girl of your choice, you must ask her far, far in advance.

Pell Octet To Play at Senior Prom

Dave Pell's Octet will play for the Senior Prom in McCambridge Hall on May 17 from 8 to 12 p.m. Price of admission will be \$3 per couple. With the theme of "Magic Moments," the Pell Octet will set the pace for the evening.

Music will be "rhythmic and danceable," according to Dwight Waite, head of planning committees. Pell will also present a jam session.

During the evening the queen will be crowned. The already-elected princesses are Louise Tul-

io, Diane Stubblefield, Alice Chew, Nancy Utech, Vicki Fliedner, Kay Nesbit, and Eleanor Legg.

But how can you pay all that money for just a night of doing nothing but gabbing, eating, having your picture taken and then, the last 15 minutes, going through a few dances.

As was said, though, it IS sad—you know—last prom and all. But just think of all the "little things" one must go through before even getting to the dance itself.

Small expenses or the girls include: new formals, new shoes (which the boys will have ruined by the end of the night, anyway), new lipstick with nail-polish to match, hair-do, and that's about it.

Then to top it off, it's too dim at the dance, and the girls can't show off any of their new apparel.

Now the boys, and their expenses are even less: corsages, new suits, new ties, new shoes, new shirts, hair cuts, money for dinner, money for pictures, money for gas, and the effort of trying to talk Dad out of the car for the night. Seniors must all be millionaires!

But you know something — nobody should miss the Senior Prom; it's the best one of all!

Decoration chairman is Gary Hudson, and her committee consists of Bob Hines, Steve King, John Robinson, Dwight Waite, and Dick Webb.

In charge of entertainment are John Hagen and his committee, composed of Betty Jo Sanders and Eloise Whitsell.

Other committee chairmen are Rosemary Montana, publicity, and Clair Wiesley, throne.

PLANNING AHEAD for this year's Senior Prom is the Prom Committee consisting of: L-R, Steve King, Claire Wiesley, Rosemary Montana, Gary Hudson, and Dwight Waite.

Dyno Swimmers Take Foothill League Meet

Glendale's swim team downed all contenders to sweep the All-Foothill League swim meet at Hoover recently.

For the second straight year the Dyno varsity splashed to victory amazing 74½ points to runner-up Muir with 33.

In the Bee division, the Blasters, who placed second in Foothill League last year, scored a one-point victory over second place Muir 54-53.

Glendale's Cees, who also placed second in the league last year, coasted to an easy win grabbing 60 points in the finals. This gave them the Foothill League Cee crown,

making Glendale league champions in all three divisions.

Varsity winners in the All-League meet include 200 yard medley relay (Jim Baugh, Bill Mortimer, Booth Hartley, Rick Mathews), 1:56.4; 100 yard butterfly, Hartley, 58.4; 200 yard freestyle, Bob Moulton, 2:04.5; 100 yard backstroke, Baugh, 1:07.0; and 100 yard breaststroke, Mortimer, 1:14.2.

Other varsity winners were 150 yard individual medley, Hartley, 1:35.5; and the 200 yard free style relay (Baugh, Dick Pense, Mathews, Moulton), 1:41.4.

Bee winners were the 200 yard medley relay (Larry Patton, Joel Kotin, Ralph Powers, Vance Bennett), 1:57.5; 100 yard butterfly, Powers, 1:06; and 100 yard backstroke, Patton, 1:06.2.

Cee winners were the 200 yard medley relay (Steve Saylor, Mike Towels, Ron Schrimmer, Gary Williamson), 2:05.5; 50 yard butterfly, Schrimmer, 30.3; 50 yard backstroke, Saylor, 32.4; and the 50 yard breaststroke Towels, 34.4.

Final League AQUA Standings	Varsity		
	Wins	Losses	Tied
Glendale	10	0	0
Muir	6	3	1
Hoover	6	3	1
Burroughs	4	6	0
Burbank	2	8	0
Pasadena	1	9	0

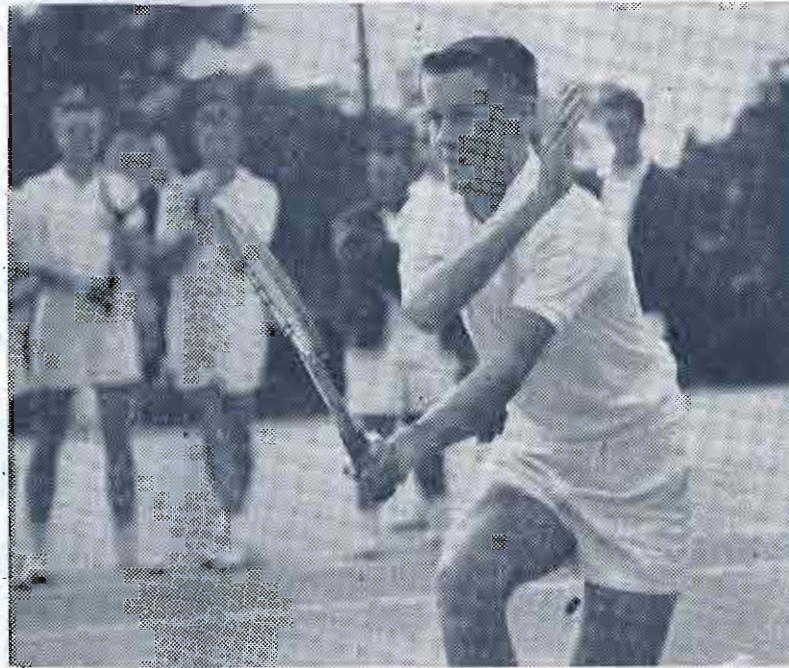

Nitro Swim Coach Pilots Aquamen To Second Straight League Crown

Nitro Swim Coach Ranier DeMandel has piloted the Glendale varsity aquamen to their second straight Foothill League pennant. Officially, this is Glendale's second swimming season since the Dynamiter campus has had a pool only two year.

Coach DeMandel said he looked forward to another strong A team next year. Outstanding A's that will return next year include Jim Baugh, Dick Pense, and Vance Bennett, freestylers; Booth Hartley, Ralph Powers, and Bill Lycett, butterfly men; Larry Patton and Bill Jensen, backstrokers; and Joel Kotin, breaststroker.

*Well...
It's This Way*

In this year's CIF finals held today at El Segundo, Mr. DeMandel said Hartley was a possible con-

WAYNE COLLETT, Glendale's lone representative at the recent Ojai Valley Tennis Tournament, winds up for a practice smash. Collett was bumped out of the tourney by Ramsey Earnhaart of Ventura, who went on to be defeated in the finals. In the absence of Collett, the Nitro tennis team fell before second place Pasadena.

Stringer Pitches Nitro Horsehidors To Win Over Hoover, Pasadena

Doug Stringer threw four-hit ball to lead Glendale to a 3-2 victory over Hoover, and the second in a row over the cross-town rivals.

Stringer struck out 11 batters, while walking four. But the four he did walk, cost him a shut-out game. In the first inning he gave up a hit and four walks for Hoover's only two runs.

In Glendale's half of the first, second baseman Dave Lawrence

hit a two-run double over the right fielder's head after Bob Parker and Tom Bonetto had singled and walk, respectively.

Simila Hits in Winning Run
In the fifth inning Hoover had men on second and third, but they did not advance any further because of Doug Stringer's masterful pitching.

In Glendale's half of the fifth, Al Vernon led off with a single, and he advanced to third base after Tom Bonetto got on by an error.

Then Dennis Simila hit a ground ball to third base and Hoover tried to get a double play, but Simila beat it out and Vernon came home with the winning run.

Stringer Wins Another

Nitro Nine First

With only five games left in the league, Glendale leads the league by a game and a half.

Burbank was only two games

Collett at Ojai Glendale Drops First Net Match

Glendale High's netters went down to defeat last week before Pasadena, 6-1, making the Dyno record this season nine wins, one loss.

Because of the absence of first man Wayne Collett, who was competing in a tournament at Ojai, each member of the team moved up one position. The only player who won his match was second man Bill Dawson, defeating his opponent 0-6, 6-3, 6-1.

According to Coach Gene Haas this loss to Pasadena means that if the netmen lose again, they will be in deep water for the Foothill League championship, since Pasadena has only two losses.

Coach Haas also stated that if the team wins its remaining matches but loses to Pasadena again, Pasadena will win the League title, having beaten Glendale twice to Glendale's one win.

Next week, Glendale will face Muir. In two previous matches, Glendale defeated Muir 6-1, 5-2. Muir is fourth in Foothill League standings this season.

The netters JV team stands four wins, two ties, and four losses and are third in league play. The JV's have a strong single division this year but have had trouble in their doubles division.

Coach Haas related, "I am anxious to see how these boys are going to do in their remaining five matches, because they are important."

Hartley Smashes Two Swim Marks

Booth Hartley, sophomore butterfly star, shows promise as one

What a spring this has been! All of Glendale's teams have had a winning season—even the heretofore hapless baseball team has been burning up the Foothill League.

The Nitro nine was buzzing along its merry way with a 5-1 record when POW! Muir suddenly rapped the Nitros 12-4, much to the concern of Coach Bill Gelsinger, who had previously led his charges to a 7-2 win over the Mustangs.

Darrell Sutherland finally started to throw again this week after a long layoff because of a severe sore throat.

Meanwhile, carrying the pitching load were Doug Stringer, who threw a 3-2 win over Hoover last week, and Don Haen, who has yet to go more than three innings.

Denny Simila has slowed down considerably from his early season batting spree; but, alas and alack; the poor boy is batting a "measly" .490.

Spring Football Practice Sessions To Begin After School Monday

Visions of calisthenics, blocking dummies, and long passes, along with the ol' pigskin will be evident next Monday, when spring football practice begins.

All junior and sophomore boys are encouraged by the coaches, to come out sixth period and after school if they have sixth period gym, or after school. These practices will last each day until approximately 4 p.m.

The sessions are held so coaches may see what position a boy is best suited for and train him in the fundamentals of that position.

Glendale Basketball Fives Attend Late Celebration

Glendale's '58 Foothill Loop basketball champs held their annual awards banquet at Glendale last night.

Outstanding players of both the varsity and Bee squads were presented with special awards besides each member receiving a letter.

Before the barbecue, the squads went swimming in the pool.

The Bee and Cee medley relay teams, in his opinion were strong enough to make a good showing.

When asked why water polo had not been incorporated into the competitive swimming program, Coach DeMandel explained that both the Glendale and Hoover pools, which are indential, were too shallow for a regulation game. If the game is to be played correctly, the entire pool must be too deep to stand in. Otherwise brawn and size would soon replace swimming skill.

Muir, Hoover Favored

by Bob Moore

Cream-of-the-crop track men from all the Foothill League schools will be assembled today in the finals of the All Foothill League track meet.

The meet is being held at Hoover,

Muir, and lost their chance to gain a game on the leaders. Muir and Pasadena are holding up the bottom of the league, 4-5 and 2-7, respectively.

LEAGUE STANDINGS

	W	L	T
Glendale	7	3	
Glen. Hoover	5	4	1
Burroughs	5	4	1
Burbank	5	5	
Muir	4	5	
Pasadena	2	7	

where the preliminaries were run last Friday.

Field events are scheduled for 2 p.m. and track events will begin at two-thirty.

Admission for this contest is 25 cents for holders of student body and 50 cents for adults.

Lon Graf

Finals will be held in all varsity, Bee, and Cee events with the exception of the Cee field events which were completed last Friday.

There will be either six or eight men in each event, according to the event. All these men had to qualify in last weeks semis.

Stringer pitched Glendale to another victory, beating Pasadent 4-2. Stringer again led the team with seven strike outs, and only two walks.

Tom Bonetto lead the team with a two-run single in the third inning, and Al Vernon and Stringer both singled home the go-ahead—runs in the seventh.

LINE SCORE

Glendale	020	000	2	5	4
Pasadena	010	100	2	6	3

Batteries—Stringer, and Vernon. Sims, Jespersen (7), and Sheets.

California in the near future.

Hartley smashed two Foothill League swim records in the All-League Meet held at Hoover recently. Booth streaked to a 58.4 in the 100 yard butterfly, knocking four seconds off the old mark; and his winning time of 1:34.7 in the 150 yard individual medley made the old 1:46.0 record look slow.

Booth, now 16, has been working in competitive swimming five years under which such men as Lionel Draves of the Indian Springs Aquatic Club and Perter Darland of the Los Angeles Athletic Club.

Dyno swim coach Ranier De Mandel rates Hartley as one of the most exceptional swimmers he has ever trained. Coach De Mandel says Hartley has the opportunity to reach the level of world's champion Lance Larson of El Monte High. Hartley today is faster than Larson, now a senior, was two years ago.

Booth plans to go to UCLA or Cal Tech after graduating from Glendale. He is an avid ham radio fan.

LATE SPORTS BULLETINS

Baseball

For the second time in three tries the Glendale glovemen fell to the tomahawks of the Burroughs Indians as they were defeated, 7-2. A parade of pitchers faced the Injuns and received little help from the Dyno infield when two errors allowed seven runs to score in the fourth inning.

One bright spot for the Nitros is the fact that Darrell Sutherland may be able to start pitching again next week against Muir.

Tennis

Net fortunes appear on the upswing again as the Nitro netters collected a victory over Burroughs. Returning to the firing line was firstman Wayne Collett, who was absent from the first Foothill League loss tagged on the netters season. Collett won his match from head tennis Indian Jim Dompe.

Track

Coach Lon Graf has been hurrying to get his top men in shape for the Foothill League finals at Hoover this afternoon. Many of the boys who were competing in the varsity division earlier this year have been put back into the Bee and Cee divisions to give them a chance of winning.

Swimming

Three Glendale paddlers qualified for the CIF Swim finals at Beverly Hills next Friday.
